

A 501(c)(3) Organization

October 31, 2023

To All Our Wonderful Donors, Sponsors and Gala Attendees,

As a Trustee of Lake Erie Labrador Retriever Rescue, Inc. please allow me to convey the thanks of our entire organization for your support of our 7th **LabTie & Tails Gala**, which commemorated over 28 years in rescue on October 7, 2023.

The evening celebrating another challenging year to fulfill our mission, #OneLabAtATime was a success and far exceeded our expectations! This year's event had 280 attendees, the largest group yet!

With your support, an amazing \$35,000 was raised for medical bills for the Labs/Lab mixes and we believe we can close out this calendar year with all bills paid! This amount is a bit more than the funds raised last year, which is Labulous as the medical expenses have been a bit more than last year too!

We thank you from the bottom of our hearts for your generosity!

No one knows what the future holds but one thing is certain, we will continue our mission to save the Labs one Lab at a time, with your ongoing interest and support.

We hope to see you at our **8th LabTie & Tails Gala** on **October 5th, 2024** at St. Michael's Woodside venue.

Warm regards,
